Original Paintings by International Artist Shingo Saotome- Okayama Japan

"It Takes A Team"

72.6cm x 51.3cm

Limited Edition 950 - \$150 each Unframed

I was very moved when watching the PAL Sailor Circus 2006 holiday show (The Grinch). I wanted to paint to express “It Takes A Team” to create a wonderful production by children who performed to their best abilities, with parents, volunteer's, and staff's warm support behind the scenes.

"Shadow of an Angel"

51.5cm x 36.3cm

Limited Edition 950 - \$125 each Unframed

Silhouette of a girl aerialist putting forth her energy to perform her talents, while casting a bigger than life shadow against the tent roof, stimulated me to capture this artistically beautiful occurrence.

"A Boy Clown"

51.5cm x 36.3cm

Limited Edition 950 - \$125 each Unframed

A boy with a melancholy look, sitting on his car waiting in the wings for the show to begin. I felt this scene was something artistically magical.

"Girl Putting on Rosin"

36.3cm x 51.5cm

Limited Edition 950 - \$125 each Unframed

I felt beauty in this girl putting on rosin prior to performing which reminded me of Degas's painting of “Dancers”

"Girl Waiting Her Number"

36.3cm x 51.5cm

Limited Edition 950 - \$125 each Unframed

I desired to paint the facial expression of a young girl anxiously waiting in the wings for her turn to perform. This young lady's face tells it all.

"La Pieta"

51.5cm x 36.3cm

Limited Edition 950 - \$125 each Unframed

When I saw the principle boy having his make-up applied by his mother, right away this overlapped the Masterpiece by Michelangelo "La Pieta" which inspired me to paint.

"Stage Make-Up"

51.5cm x 36.3cm

Limited Edition 950 - \$125 each Unframed

Heartwarming scene of mom and son, putting on make-up, getting ready to perform in the show.
